Sub: Seeking support to motivate youth for National Blood Donation Campaign, 21- 25 August 2026

Dear Spiritual Brother
Greetings of peace.

Your good self is well aware of the services of the **Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya** (Hq. Mt. Abu) in 110 countries.

Last year, Brahma Kumaris did a **National Blood Donation Camp** with around 1 lakh units of blood. This year, we aim to cross **1.5 lakh units of blood donation** from **21- 25 August 2026** as a part of our campaign "**Gyaan Paan – Yog Dhyan – Rakt Daan**". More details of the campaign and the report of the campaign of previous year are enclosed herewith.

We urge for the support from the Dept of Youth Affairs, by **issuing a letter for all the states and branches of NSS, My Bharat, youth organizations and other bodies affiliated to the department, to participate in this campaign to make this noble effort successful.**

We can use a copy of this letter sent to them, to involve these organizations in the states.

Any further requirement can be furnished in this regard. We will also be happy to meet you and discuss further on this proposal.

Thank you in advance for your good wishes and support.

Sisterly yours
